

Dear friends at the FCC, Thanks for your service! We listen to K-LOVE radio here in Denver at 91.1 our whole family enjoys this station because it's content mirrors our beliefs. The lyrics in the songs contain messages encourageing us to care for others, respect life, and develop a love for God. America was founded on those beliefs. Our community is made better because we follow those guide lines. Please allow the radio station K-LOVE to continue broadcasting in our community, it makes such a positive difference. It makes a stronger nation, filled with people who care for one another. Without K-LOVE, our community will not have the same attitudes or encouragement to live a life devoted to others. Please allow K-LOVE to stay on the air as it is.
